PREFACE AND ACKNOWLEDGMENTS

Thirty-Third Edition

The *South Carolina Higher Education Statistical Abstract* is a comprehensive, single-source compilation of tables and graphs which report data frequently requested by the Governor, Legislators, college and university staff, other state government officials, and the general public. The 2011 edition of the Statistical Abstract marks the 33rd year of this valuable publication.

This *Abstract* includes the most recent statistics on enrollment, degrees awarded, faculty, tuition and fees, funding, and other factual data. A glossary of terms is also included.

The *Abstract* would not have been possible without the assistance of the college and university institutional representatives' completion of data for Commission reports and the federal Integrated Postsecondary Education Data System (IPEDS). The help and support of these individuals is extremely important to the Commission's data collection process. Their assistance is greatly appreciated.

Gary Glenn
Director - Finance, Facilities, & MIS

Mission, Roles and Functions of the Commission

I. Mission

The South Carolina Commission on Higher Education will promote quality and efficiency in the state system of higher education with the goal of fostering economic growth and human development in South Carolina.

II. Roles and Functions

- A. To provide pertinent information about higher education to parents and students and to promote access to higher education.
- B. To review and approve new degree program proposals and evaluate existing programs.
- C. To administer state, regional, and federal programs affecting South Carolina higher education.
- D. To maintain a statewide planning and institutional effectiveness system.
- E. To monitor the implementation and evaluate the effectiveness of programs designed to provide minority groups with access to and equality of higher education opportunities.
- F. To examine and license non-public educational institutions.
- G. To make recommendations by means of data collection, research, and studies to the Governor, the Budget and Control Board, and the General Assembly regarding policies, roles, operations, and structure of South Carolina's higher education institutions.
- H. To maintain statewide higher education data collection.
- I. To establish procedures for the transferability of courses at the undergraduate level between and among two-year and four-year institutions.
- J. To coordinate with the State Board of Education in determining minimum academic expectations and requirements and approving appropriate secondary courses for prospective post-secondary students.
- K. To review minimum undergraduate admissions standards for in-state and out-of-state students.
- L. To reduce, expand, or consolidate, and beginning July 1, 1999, close any institution which does not meet the standards of achievement enumerated in Section 59-103-30 of the Code of Laws of South Carolina, as amended.
- M. To review and approve each institutional mission statement to ensure it is within the overall mission of that particular type of institution as stipulated by Section 59-103-15 and is within the overall mission of the state.
- N. To facilitate the implementation of the recommendations provided by the Higher Education Study Committee's Action Plan: *Leveraging Higher Education for a Stronger South Carolina*.

Goals of the Commission

III. Goals

- A. To make South Carolina a global leader by working with business and industry to foster higher education's role in economic growth and human development by ensuring implementation of the recommendations provided in the Higher Education Study Committee's report: *Leveraging Higher Education for a Stronger South Carolina*.
- B. To maintain positive relations with the Governor, the Legislature, state agencies, parents, and students and to provide them and the general public with accurate information on South Carolina higher education.
- C. To present the need and develop support for appropriate funding of public colleges and universities.
- D. To address strategic issues in public and private higher education as they are identified and to ensure a continuous process of assessment and improvement.
- E. To assure access to and equality of educational opportunity among minority groups in South Carolina higher education.
- F. To promote quality and diversity in the academic offerings of institutions of higher learning.
- G. To prevent or eliminate unnecessary duplication of degree programs among the state's institutions.
- H. To expand postsecondary educational opportunities for South Carolina residents; to recognize student achievement; and to encourage excellence in teaching and research by administering various higher education programs.
- I. To ensure that non-public educational institutions, other than those exempted by statute, are legitimate educational enterprises and that they are fulfilling their purposes.

Commission Members

As of October 2011

Commissioner	City	Term Expiration	Representation
Kenneth B. Wingate, <i>Chairman</i> ¹	<i>Columbia</i>	7/1/2012	Gov. At Large as Chair
Natasha Hanna ³	<i>Myrtle Beach</i>	7/1/2012	Four-Year Comprehensive
Bettie Rose Horne ³	<i>Greenwood</i>	7/1/2008	3 rd District
Elizabeth Jackson ¹	<i>Lexington</i>	7/1/2012	Gov. At Large
Raghu Korrapati ²	<i>Blythewood</i>	7/1/2010	2 nd District
Leah B. Moody ³	<i>Rock Hill</i>	7/1/2012	Research Institutions
Charles Munns ³	<i>Aiken</i>	7/1/2012	Technical Colleges
Kim H. Phillips ²	<i>Gaffney</i>	7/1/2012	5 th District
Y. W. Scarborough, III ²	<i>Charleston</i>	7/1/2012	1 st District
Jennifer Settlemyer ¹	<i>Prosperity</i>	7/2/2012	Gov. At Large
Rodney A. Smolla ³	<i>Greenville</i>	7/30/2014	Independent Institutions
Guy C. Tarrant ¹	<i>Charleston</i>	7/1/2012	Gov. At Large
Hood Temple ²	<i>Florence</i>	7/1/2010	6 th District
Lewis Vaughn ²	<i>Greer</i>	7/1/2014	4th District

¹ The Governor appoints four at-large members with one appointed as chair. At-large members serve four-year terms. The chair may be reappointed but may serve only one term as chair.

² Congressional district representatives are appointed by the Governor upon the recommendation of the respective Legislative Delegation from the district. These members are appointed to four-year terms and may not serve more than two consecutive terms.

³ Three members are appointed by the Governor with advice and consent of the Senate to represent the sectors of public colleges and universities. These members serve two-year terms.

SOUTH CAROLINA COMMISSION ON HIGHER EDUCATION STAFF MEMBERS

Garrison Walters, Executive Director Administration

Ms. Julie Carullo	Deputy Director/Director of Governmental Affairs & Spec. Projects	737 - 2292

Enrollment in Higher Education

“The U.S. Bureau of Labor Statistics reported from their October 2010 Current Population Survey (CPS) that nationally 68.1 percent of 2010 high school graduates were enrolled in colleges or universities. This college enrollment rate of recent high school graduates was slightly lower than the record high set in

October 2009 (70.1 percent). For 2010 recent high school graduates, the college enrollment rate was 55.7 percent for young women and 44.3 percent for young men.”

South Carolina’s first-time freshmen also slightly decreased from 2009 to 2010 by 1.7% compared to the national decrease of 2.0%

Of the first-time freshmen enrolled in South Carolina in 2010, 56.3 percent were women and 43.7 were men.

¹ FTE includes medicine and dentistry headcount.

² These numbers exclude continuing education hours.

Note: Detail may not add to totals because of rounding.

***Full-Time Equivalent (FTE) Student Enrollment** – Calculated as fifteen (15) credit hours per semester for an undergraduate student, twelve (12) credit hours per semester for a graduate level 1 (master's) student, and nine (9) credit hours per semester for graduate level 2 (doctoral) students. First professional pharmacy hours are fifteen (15) credit hours per semester and first professional law are fourteen (14) credit hours per semester. Medicine and Dentistry use headcount rather than credit hours.

*Headcount is defined as the number of students enrolled at an institution as of the reporting institution's matriculation date.
 Matriculation date is defined as the date when a student can drop a course without penalty at the reporting institution.

*In-State and Out-of-State enrollment are calculated using data reported by legal residency classification for fee purposes (SC Code of Laws 59-112-10, et seq., and Reg. 62.600, et seq.) where:

In-State enrollment is defined here as those SC residents for fee purposes including limited statutory exceptions for certain persons and their dependents residing or working in SC or for which SC has statutory reciprocal arrangements enabling SC students to attend institutions outside of SC at In-State rates.

Out-of-State includes nonresidents of South Carolina and those nonresident exception students on scholarship (non-state) who may have a full or partial waiver of the Out-of-State tuition differential per board approved policy as allowed by Section 59-112-70 of the SC Code of Laws, as amended. See below for additional details concerning in-state and Out-of-State categories.

⁽¹⁾ **In-State** includes the following "In-State" categories for Fee Purposes:

- A) military personnel and their dependents in SC;
- B) faculty/staff employed by State institutions and their dependents;
- C) retirees and their dependents who reside in SC and have been domiciled in SC for less than one year and maintain a residence in SC;
- D) full-time employees in SC and their dependents who have taken steps to establish residency;
- E) students participating in the reciprocal Southern Regional Education Board (SREB) Academic Common Market program whereby students may take programs not available in their state but offered in another state within the region at the In-State rate;
- G) reciprocity agreements which enable reciprocity with other states with regard to In-State tuition and fees; and
- H) non-resident aliens in approved VISA classifications once they have been awarded permanent resident status and meet statutory provisions for residency and domiciliary.

⁽²⁾ **Out-of-State** includes the following categories for Fee Purposes:

- 2) Non-Resident of SC; and
- F) Non-resident exception for fee category including Out-of-State students on non-state scholarships for which the board may adopt a policy to provide for a waiver of the tuition differential.

Note: New Definitions and reporting requirements to the federal government for race and ethnicity have been adopted in accordance with the final guidance issued by the U.S. Department of Education on October 19, 2007. These changes are necessary to implement the US Office of Management and Budget's (OMB) 1997 Standards for Maintaining, Collecting, and Presenting Federal Data on Race and Ethnicity. For more details on the changes, please see the following web site: <http://nces.ed.gov/ipeds/reic/resource.asp>.

Under the new guidelines, individuals may select an ethnicity and one or more races. The ethnicity choice is between Hispanic and not Hispanic. Hispanic is defined as a person of Cuban, Mexican, Puerto Rican, South or Central American, or Spanish culture or origin, regardless of race. To match Federal reporting guidelines, all who select Hispanic will be reported under this category and non-Hispanic individuals who select more than one race will be reported in the category titled, Two or More Races. Those who select non-Hispanic and a single race, will be reported under that race.

*Under the new guidelines, all who select Hispanic as their ethnicity will be reported here regardless of the race or races selected.

**The new definition separates Asian, Native Hawaiian and Other Pacific Islander. During the next few years as we transition between the old and new definitions, the data reported under the old definition of Asian or Pacific Islander will be included under Asian so that a mapping of the data from old definitions to new definitions can occur.

***Non-Hispanics who select more than one race will be reported under the label, Two of More Races.

Note: New Definitions and reporting requirements to the federal government for race and ethnicity have been adopted in accordance with the final guidance issued by the U.S. Department of Education on October 19, 2007. These changes are necessary to implement the US Office of Management and Budget's (OMB) 1997 Standards for Maintaining, Collecting, and Presenting Federal Data on Race and Ethnicity. For more details on the changes, please see the following web site: <http://nces.ed.gov/ipeds/reic/resource.asp>.

Under the new guidelines, individuals may select an ethnicity and one or more races. The ethnicity choice is between Hispanic and not Hispanic. Hispanic is defined as a person of Cuban, Mexican, Puerto Rican, South or Central American, or Spanish culture or origin, regardless of race. To match Federal reporting guidelines, all who select Hispanic will be reported under this category and non-Hispanic individuals who select more than one race will be reported in the category titled, Two or More Races. Those who select non-Hispanic and a single race, will be reported under that race.

*Under the new guidelines, all who select Hispanic as their ethnicity will be reported here regardless of the race or races selected.

**The new definition separates Asian, Native Hawaiian and Other Pacific Islander. During the next few years as we transition between the old and new definitions, the data reported under the old definition of Asian or Pacific Islander will be included under Asian so that a mapping of the data from old definitions to new definitions can occur.

***Non-Hispanics who select more than one race will be reported under the label, Two of More Races.

Note: New Definitions and reporting requirements to the federal government for race and ethnicity have been adopted in accordance with the final guidance issued by the U.S. Department of Education on October 19, 2007. These changes are necessary to implement the US Office of Management and Budget's (OMB) 1997 Standards for Maintaining, Collecting, and Presenting Federal Data on Race and Ethnicity. For more details on the changes, please see the following web site: <http://nces.ed.gov/ipeds/rei/resource.asp>.

Under the new guidelines, individuals may select an ethnicity and one or more races. The ethnicity choice is between Hispanic and not Hispanic. Hispanic is defined as a person of Cuban, Mexican, Puerto Rican, South or Central American, or Spanish culture or origin, regardless of race. To match Federal reporting guidelines, all who select Hispanic will be reported under this category and non-Hispanic individuals who select more than one race will be reported in the category titled, Two or More Races. Those who select non-Hispanic and a single race, will be reported under that race.

*Under the new guidelines, all who select Hispanic as their ethnicity will be reported here regardless of the race or races selected.

**The new definition separates Asian, Native Hawaiian and Other Pacific Islander. During the next few years as we transition between the old and new definitions, the data reported under the old definition of Asian or Pacific Islander will be included under Asian so that a mapping of the data from old definitions to new definitions can occur.

***Non-Hispanics who select more than one race will be reported under the label, Two of More Races.

*Advanced professional programs were reclassified for federal and state enrollment reporting effective fall 2009: Master's of Divinity students moved to Master's level; Other First Professional students moved to Doctor's-Professional Practice; and Doctorate level changed to Doctor's-Research/Scholarship. Graduate now includes Master's, Unclassified, Graduates, Doctor's-Professional Practice, and Doctor's-Research/Scholarship.

Note: New Definitions and reporting requirements to the federal government for race and ethnicity have been adopted in accordance with the final guidance issued by the U.S. Department of Education on October 19, 2007. These changes are necessary to implement the US Office of Management and Budget's (OMB) 1997 Standards for Maintaining, Collecting, and Presenting Federal Data on Race and Ethnicity. For more details on the changes, please see the following web site: <http://nces.ed.gov/ipeds/reic/resource.asp>.

Under the new guidelines, individuals may select an ethnicity and one or more races. The ethnicity choice is between Hispanic and not Hispanic. Hispanic is defined as a person of Cuban, Mexican, Puerto Rican, South or Central American, or Spanish culture or origin, regardless of race. To match Federal reporting guidelines, all who select Hispanic will be reported under this category and non-Hispanic individuals who select more than one race will be reported in the category titled, Two or More Races. Those who select non-Hispanic and a single race, will be reported under that race.

**Under the new guidelines, all who select Hispanic as their ethnicity will be reported here regardless of the race or races selected.

***The new definition separates Asian, Native Hawaiian and Other Pacific Islander. During the next few years as we transition between the old and new definitions, the data reported under the old definition of Asian or Pacific Islander will be included under Asian so that a mapping of the data from old definitions to new definitions can occur.

****Non-Hispanics who select more than one race will be reported under the label, Two of More Races.

Note: New Definitions and reporting requirements to the federal government for race and ethnicity have been adopted in accordance with the final guidance issued by the U.S. Department of Education on October 19, 2007. These changes are necessary to implement the US Office of Management and Budget's (OMB) 1997 Standards for Maintaining, Collecting, and Presenting Federal Data on Race and Ethnicity. For more details on the changes, please see the following web site: <http://nces.ed.gov/ipeds/rei/resource.asp>.

Under the new guidelines, individuals may select an ethnicity and one or more races. The ethnicity choice is between Hispanic and not Hispanic. Hispanic is defined as a person of Cuban, Mexican, Puerto Rican, South or Central American, or Spanish culture or origin, regardless of race. To match Federal reporting guidelines, all who select Hispanic will be reported under this category and non-Hispanic individuals who select more than one race will be reported in the category titled, Two or More Races. Those who select non-Hispanic and a single race, will be reported under that race.

*Under the new guidelines, all who select Hispanic as their ethnicity will be reported here regardless of the race or races selected.

**The new definition separates Asian, Native Hawaiian and Other Pacific Islander. During the next few years as we transition between the old and new definitions, the data reported under the old definition of Asian or Pacific Islander will be included under Asian so that a mapping of the data from old definitions to new definitions can occur.

***Non-Hispanics who select more than one race will be reported under the label, Two of More Races.

¹ Included in exclusions are students who were initially counted in the cohort and left the institution for any of the following reasons.
If the student:

- died or is severely disabled;
- is serving in the armed forces (including those called to active duty);
- left to serve with a foreign aid service of the foreign government; or
- left to serve in official church missions.

² MUSC is not included because the institution has no first-time freshmen.

¹ Prior to 2003-2004, the data for independent institutions was not collected by CHE.
The data is not available from CHE or IPEDS for 2000-2001 for independent institutions.

Migration of First-Time Undergraduate Transfers

The Integrated Postsecondary Education Data System (IPEDS) defines a transfer student as one entering the reporting institution for the first time but known to have previously attended a postsecondary institution at the same level (e.g., undergraduate, graduate). The student may transfer with or without credit.

The following pages show the detailed migration of students from one institution to another for fall 2010.

Degrees Awarded

Education projections to 2018

According to a report from the Bureau of Labor Statistics, through 2018, bachelor's degrees will outnumber all other degrees awarded, doctoral degrees will have the fastest rate of growth, and more degrees will be awarded to women than to men. These are just some of the education projections in a report from the National Center for Education Statistics.

The report, "Projections of Education Statistics to 2018," includes data on enrollment, graduates, teachers, and expenditures in elementary and secondary schools and degree-granting institutions. Projections of degree awards were developed at each level: associate, bachelor's, master's, doctoral, and first-professional. Following are some highlights of the projections:

- Women are projected to earn more than half of the degrees at every level in academic year 2018–19, including about 65 percent of associate degrees (593,000 of 913,000 total).
- Men are expected to earn nearly as many master's degrees (293,000) as associate degrees (319,000) in 2018–19.
- The 1.8 million bachelor's degrees projected to be conferred in 2018–19 is the largest number for degrees at any level.
- The number of doctoral degrees awarded is expected to grow 49 percent between academic years 2006–07 and 2018–19, the fastest projected growth rate of all degree levels. But the 90,400 doctoral degrees expected to be conferred in 2018–19 is projected to remain the smallest number of all levels.

More projections data about degree awards are available in the report. Read the report online at www.nces.ed.gov/pubs2009/2009062.pdf.

S.C. Public and Independent Institutions Five Year Trend of Degrees Awarded 2006-2010

Bachelor's degrees awarded in South Carolina Public and Independent Institutions continue to increase. Advanced professional programs were reclassified for federal and state completions reporting effective with the 2009-10 fiscal year: Master's of Divinity students moved from 1st Professional degrees to Master's level; Other First Professional students moved to Doctor's-Professional Practice; and Doctor's level changed to Doctor's-Research/Scholarship. This change in classification accounts for the sharp increase in Master's degrees awarded.

Explanations and Changes in the Categories for Race/Ethnicity Reporting

Note: New Definitions and reporting requirements to the federal government for race and ethnicity have been adopted in accordance with the final guidance issued by the U.S. Department of Education on October 19, 2007. These changes are necessary to implement the US Office of Management and Budget's (OMB) 1997 Standards for Maintaining, Collecting, and Presenting Federal Data on Race and Ethnicity. For more details on the changes, please see the following web site: <http://nces.ed.gov/ipeds/reic/resource.asp>.

Under the new guidelines, individuals may select an ethnicity and one or more races. The ethnicity choice is between Hispanic and not Hispanic. Hispanic is defined as a person of Cuban, Mexican, Puerto Rican, South or Central American, or Spanish culture or origin, regardless of race. To match Federal reporting guidelines, all who select Hispanic will be reported under this category and non-Hispanic individuals who select more than one race will be reported in the category titled, Two or More Races. Those individuals who select non-Hispanic and a single race will be reported under the single race.

- Under the new guidelines, all individuals who select Hispanic as their ethnicity will be reported here regardless of the race or races selected.
- The new definition separates Asian, Native Hawaiian and Other Pacific Islander. During the next few years as we transition between the old and new definitions, the data reported under the old definition of Asian or Pacific Islander will be included under Asian so that a mapping of the data from old definitions to new definitions can occur.
- Non-Hispanics who select more than one race will be reported under the label, Two or More Races.

The pages 68-74 utilize these new guidelines.

Bachelor's Degrees Awarded By Discipline 2009-2010

The graph below shows the number of bachelor's degrees awarded by South Carolina institutions in each discipline as a percent of the total number of bachelor's degrees awarded in 2009-2010. Business, Management and Marketing programs continue the 10 year pattern of having the most degrees awarded (percent of total) in S.C. See previous page for details of the graphical information.

*Advanced professional programs were reclassified for federal and state enrollment reporting effective fall 2009: Master's of Divinity students moved to Master's level; Other First Professional students moved to Doctor's-Professional Practice; and Doctorate level changed to Doctor's-Research/Scholarship. Graduate now includes Master's, Unclassified, Graduates, Doctor's-Professional Practice, and Doctor's-Research/Scholarship.

Graduation Rates

One of the most talked about educational indicators in South Carolina (and in the nation) is the “graduation rate” of a college or university. What is it exactly? How is it calculated? Why is it important? And perhaps, most importantly, what can this number, often expressed as a percent, tell us about quality at our colleges and universities?

First, it is important to understand that South Carolina originally devised the graduation rate calculation in response to a question raised by the South Carolina Legislature as part of ACT 255 of 1992. At that time, the Legislature wanted to know “How many years does it take for a first-time college student to graduate from a public college or university in South Carolina if the student goes to school full-time and does not change institutions?” All of the public colleges and universities met with the Commission on Higher Education and agreed on a process to calculate a graduation rate that would answer this question.

South Carolina’s calculation of graduation rates has since been standardized on a national level. The National Center for Education Statistics (NCES), in its ongoing effort to report on the condition of postsecondary education in the United States, started an effort in 1997 to collect data on completion or graduation rates and transfer-out rates of full-time, first-time certificate or degree-seeking undergraduate students. This collection has been identified as the Graduation Rate Survey (GRS) and is a component of the Integrated Postsecondary Education Data System (IPEDS). For a definition of GRS, see the Glossary at Appendix 5.

Graduation Rates

SC Public Research and Comprehensive Teaching Institutions

Number and percent of degree-seeking, first-time, full-time, freshmen entering in Fall 2004 and graduating with a Bachelor's Degree or Associate's Degree within 150% of normal time for completion.

¹"Success Rate" is defined as the "GRS Rate Plus."

The Graduation Rate Survey (GRS) defines the cohort of students to be included each year as the first-time, full-time, degree seeking students entering an institution each fall.

The GRS rate is calculated on the percentage of a cohort graduating within 150% of normal program time. The Success Rate, in addition to the graduates, includes those students who as of 150% of program time have transferred to another institution or those students who have continued to be enrolled the term following 150% of program time.

²This data is based on the information available on the SC CHEMIS system only.

³Institutions have the opportunity to provide additional data on students who have transferred to institutions that are not included on the CHEMIS system (Based on Data received from SCTCS).

⁴Includes Certificate, Diploma, & Associate Degree Seekers

⁵Additional Transfers resulted in changes of retained numbers.

Created on 6/17/2010

“Education is the most powerful weapon which you can use to change the world.”

~ Nelson Mandela

The SAT Program

The SAT Reasoning Test™ assesses student reasoning based on knowledge and skills developed by the students in their course work. The SAT Subject Tests™ are a series of one-hour, mostly multiple-choice tests that measure how much students know about a particular academic subject and how well they can apply that knowledge. Most students also complete the optional SAT Questionnaire when they register to take SAT Program tests, providing valuable contextual information to aid in interpreting and understanding individual and group scores.

Information on South Carolina's SAT takers is presented on the following pages.

National SAT Overview

Nearly 1.6 million students in the class of 2010 participated in the college-going process by taking the SAT during high school. In addition to being the largest class of SAT takers ever, the class of 2010 has the distinction of being the most diverse group of test-takers in the 84-year history of the SAT. Of the SAT takers in the class of 2010, 41.5 percent were minority students, up from 40.0 percent in 2009 and 28.6 percent in 2000. In the last decade, minority participation in the SAT grew 78.3 percent.

This year's college-bound seniors averaged 501 in critical reading, 516 in mathematics, and 492 in writing. On a long-term basis, students' mathematics scores have experienced an upward trend and are now two points higher than in 2000 and 15 points higher than in 1990, while students' critical reading scores have declined four points in the last decade but are one point higher than in 1990.

See Page 84 for a comparison to South Carolina's SAT data.

Average All Public Institutions	35.7%	23	65.2%	543	578	1103	1091

* Includes ACT converted to SAT equivalent

Notes: MUSC is excluded because the institution has no first-time freshmen.

The technical colleges have open admissions which means the only criterion for entrance is a high school diploma or a General Education Development (GED) certificate; therefore, SAT is not required or reported.

Scholarships and Grants

Scholarships and grants are forms of financial aid that help students pay for post-secondary education. Unlike student loans, scholarships and grants do not have to be repaid. Over the years, millions of dollars in scholarships and grants have been awarded to eligible students attending public and independent colleges in South Carolina. The following information pertains to the scholarships and grants administered by the S.C. Commission on Higher Education.

South Carolina provides financial assistance to eligible students in the form of need-based, merit-based, and other financial aid. To determine eligibility for financial assistance, students must submit the Free Application for Federal Student Aid (FAFSA) form each academic year.

Based on the FAFSA, students with a demonstrated financial need after all federal support is considered may be awarded a Need-based grant. Additionally, students attending a two-year college may receive a grant under the Lottery Tuition Assistance Program.

In South Carolina, students may be eligible to receive one of the three statewide, merit-based scholarships: Palmetto Fellows Scholarship, Legislative Incentives for Future Excellence (LIFE) Scholarship, or SC HOPE Scholarship. Additional funding is available for enhancements to the LIFE Scholarship and Palmetto Fellows Scholarship based on declared majors in approved mathematics and science programs.

Please be aware that the information provided above is subject to change and updates are made as necessary. For the most up-to-date information, visit the Commission's web site at www.che.sc.gov.

South Carolina Scholarships and Grants

Administered by the S.C. Commission on Higher Education

General Eligibility Requirements for all State Scholarships and Grants

1. Student must be a US citizen/legal permanent resident;
2. Must be a South Carolina resident or qualify under the military or faculty exception;
3. Be enrolled as a degree-seeking student at an eligible South Carolina public or independent institution;
4. Must not owe a refund or repayment on any State or Federal financial aid and not be in default on a Federal student loan; and
5. Certify that he/she has never been convicted of any felonies (not applicable for Lottery Tuition Assistance) and has not been convicted of any second or subsequent alcohol and/or drug-related misdemeanors within the past academic year.

Palmetto Fellows Scholarship

The Palmetto Fellows Scholarship is a merit-based scholarship established in 1988 to recognize the most academically-talented high school seniors and encourage them to attend college in the state. The annual award amount for the freshman year is up to \$6,700. The award amounts for the sophomore, junior, and senior years are up to \$7,500 per year. Half of the scholarship is awarded in the fall term and half in the spring. The scholarship is applied toward the cost of attendance, less any other gift aid, at an eligible four-year institution in South Carolina. Assuming continued eligibility, Palmetto Fellows may receive scholarship funding for up to eight consecutive terms of full-time study toward the first bachelor's degree. Palmetto Fellows may receive up to 10 consecutive terms of full-time study toward the first CHE-approved five-year undergraduate program.

Palmetto Fellows cannot be recipients of the LIFE Scholarship, S.C. HOPE Scholarship, or Lottery Tuition Assistance in the same academic year.

Students may apply for the scholarship in mid-December or mid-June of the student's graduating year. Students must contact their guidance counselor as the application information is processed through the high school guidance counselor. To be eligible for the scholarship, students must meet each criterion in one of the following sets of academic requirements:

1. Score at least 1200 on the SAT (27 on the ACT), earn a minimum 3.50 cumulative GPA on the S.C. Uniform Grading Policy (UGP), and rank in the top six percent of the sophomore, junior, or senior class;
OR
2. Score at least 1400 on the SAT (32 on the ACT) and earn a minimum 4.00 cumulative GPA on the S.C.UGP (class rank requirement waived).

To renew the Palmetto Fellows Scholarship each academic year, students must earn at least 30 credit hours for graduation purposes and maintain a minimum 3.0 cumulative GPA for graduation purposes at the current institution at which the student is seeking a degree.

Legislative Incentives for Future Excellence (LIFE) Scholarship

The LIFE Scholarship Program is a merit-based scholarship established in 1998. The scholarship is awarded annually to eligible students attending two- and four-year institutions in the state. Scholarship funds are awarded half in the fall term and half in the spring and must be applied toward the cost of attendance.

Students attending an eligible two-year or technical college may receive up to the cost of tuition plus a \$300 book allowance (total award not to exceed \$5,000) for a maximum of two consecutive terms toward a one-year program and up to four consecutive terms toward a two-year program (based on the date of initial college enrollment). Students attending an eligible four-year public or independent institution may receive up to \$4,700 plus a \$300 book allowance (total award not to exceed \$5,000) for a maximum of eight consecutive terms toward the first bachelor's degree or the first CHE-approved 3 + 2 program. For the first CHE-approved five-year undergraduate program, students may receive up to 10 consecutive terms of scholarship funding (maximum terms of funding based on the date of initial college enrollment).

LIFE Scholarship recipients cannot be recipients of the Palmetto Fellows Scholarship, S.C. HOPE Scholarship, or Lottery Tuition Assistance in the same academic year.

In order to qualify at a four-year institution, first-time entering freshman must meet two of the following three criteria:

- (1) Earn a minimum 3.0 cumulative GPA on the S.C. UGP upon high school graduation
- (2) Score at least 1100 on the SAT (equivalent 24 on ACT) by the June test administration of high school graduation year
- (3) Rank in the top 30% of the high school graduating class based on the UGP

In order to qualify at a two-year or technical college, first-time entering freshman must earn a minimum 3.0 cumulative GPA based on the S.C. Uniform Grading Policy (UGP) upon high school graduation (test score and class rank requirements are waived).

To renew (or earn) the LIFE Scholarship, students must earn an average of 30 credit hours by the end of the first year, 60 credit hours by the end of the second year, and 90 credit hours by the end of the third year for graduation purposes (based on the date of initial college enrollment) and maintain or earn a cumulative 3.0 "LIFE GPA" each academic year.

Enhancements for the LIFE Scholarship and Palmetto Fellows Scholarship

Scholarship recipients may be eligible to receive enhancement funds as early as the sophomore year for a maximum of six consecutive terms toward the first bachelor's degree or first CHE-approved 3 + 2 program. Scholarship enhancements are not available the first year of college enrollment.

To qualify for the LIFE Scholarship or Palmetto Fellows Scholarship Enhancement, a student must be a recipient of the underlying scholarship and must declare a major in an approved mathematics or science program at an eligible four-year institution in S.C.

Students must successfully complete at least 14 credit hours of instruction in mathematics **or** life and physical science **or** a combination of both by the end of the first academic year of college enrollment.

Palmetto Fellows may receive up to \$10,000 per year (combined funds from \$7,500 Palmetto Fellows Scholarship and \$2,500 enhancement). LIFE Scholarship recipients may receive up to \$7,500 per year (combined funds from \$5,000 LIFE Scholarship and \$2,500 enhancement). Scholarship and enhancement funds must be applied toward the cost of attendance.

S.C. HOPE Scholarship

The S.C. HOPE Scholarship is a merit-based scholarship established under the 2001 S.C. Education Lottery Act and implemented in fall 2002. In order to qualify, first-time entering freshman attending an eligible four-year institution in S.C. must earn a minimum 3.0 cumulative GPA on the S.C. Uniform Grading Policy (UGP) upon high school graduation.

Students may receive up to \$2,500 plus a \$300 book allowance (total award not to exceed \$2,800) for the first two consecutive terms of college enrollment. Scholarship funds are applied toward the cost of attendance.

Funding for this program is dependent upon a fixed appropriation from lottery proceeds. S.C. HOPE Scholarship recipients cannot be recipients of the LIFE Scholarship, Palmetto Fellows Scholarship, or Lottery Tuition Assistance in the same academic year.

Since the S.C. HOPE Scholarship is for the freshman year only, students may qualify for the LIFE Scholarship beginning with their sophomore year. They must meet the eligibility requirements for earning the LIFE Scholarship.

S.C. Need-based Grant

Eligible degree-seeking students at S.C. public institutions may receive up to \$2,500 annually if enrolled full-time and up to \$1,250 annually if enrolled part-time. Students may receive Need-based Grant funding for up to two academic terms each academic year which may be awarded in any combination of fall, spring, or summer terms. The Need-based Grant is an annual award that must be applied toward the cost of attendance and disbursed half in the first semester and half in the second semester. To be eligible for grant funds, students must file the Free Application for Federal Student Aid (FAFSA) and be enrolled in at least six credit hours for the term and enrolled in their first one-year program, first associate's degree, first two-year program leading to a baccalaureate degree, first baccalaureate degree, or first professional degree. Assuming continued eligibility, students may receive up to eight full-time equivalent terms. Based on the institution's level of Need-based Grant funding, the student's financial aid office determines the exact award amount, less any other gift aid received.

To renew the Need-based Grant, students must complete a FAFSA each year, earn the requisite number of credit hours based upon their enrollment status during the term(s) grant funds were awarded and earn at least a cumulative 2.0 GPA for graduation purposes by the end of the academic year.

Lottery Tuition Assistance

The Lottery Tuition Assistance Program was established in 2001 under the S.C. Education Lottery Act and implemented Fall 2002. Lottery Tuition Assistance is available at eligible two-year institutions in the state. Exact award amounts are contingent upon the number of eligible students and funding available from lottery proceeds. Before calculating the award amount, all federal grants and the S.C. Need-based Grant must be applied. Lottery Tuition Assistance can only be used for payment of the cost of tuition and mandatory fees.

Students must file the Free Application for Federal Student Aid (FAFSA) or the FAFSA Waiver form and be enrolled as degree-seeking in at least six credit hours for the term. Recipients of Lottery Tuition Assistance cannot receive the S.C. HOPE, LIFE, or Palmetto Fellows Scholarship in the same academic year.

To renew Lottery Tuition Assistance, students must meet satisfactory academic progress established by the institution for the purposes of complying with Title IV regulations.

Note: The General Assembly passed legislation effective beginning fall 2007 to provide scholarship enhancements starting in the sophomore year to Palmetto Fellows & LIFE recipients at a four year institution who are majoring in eligible math/science/engineering/health care related areas. For LIFE students, the enhancement provides up to an additional \$2500 annually. The award for Palmetto Fellows recipients in one of the eligible math/science/engineering/health care related majors beginning in the sophomore year provides up to \$3300 per year. For those Palmetto Fellows students who are not in one of the eligible majors, up to \$800 annually is available beginning in the sophomore year.

⁴For-Profit Degree Granting Institution

South Carolina State University reported no Palmetto Fellow enhanced scholarships in either year.

Allen University, Benedict College, Columbia Int'l University, Limestone College, Morris College, South University, and Voorhees College reported no Palmetto Fellows enhanced scholarships in either year. Clafin University had no Palmetto Fellows enhanced scholarships in Fall 2009.

Columbia Int'l University and Voorhees College reported no LIFE enhanced scholarships in either year. Clafin University reported no LIFE enhanced scholarships in fall 2009.

Tuition and Required Fees

For the purposes of the data in this section, the Integrated Postsecondary Education Data System (IPEDS) definition of “tuition and required fees” is used. IPEDS defines the term as: “Tuition is an amount of money charged to students for instructional services. Required fees are fixed sums charged to students for items not covered by tuition and required of such a large percentage of students that the student who does **not** pay the charge is an exception.” It is important to note that institutions may assess special user fees. For example, students may be assessed a fee for enrolling in a particular course or academic program.

Institutions use these revenues to meet their missions through the areas of: instruction, research, public service, libraries, student services, physical plant (facilities) operation and maintenance, and administration. In addition, state general funds are used to meet these core operating needs.

**Analysis of Student Tuition and Required Fees
For Full-Time Undergraduate Students
Public Institutions
Academic Year 2010-2011**

¹Excludes Medicine and Law

²Excludes Medicine, Dentistry, and Pharmacy. Includes Nursing and Health Professions only. (In 2000 & prior, MUSC had undergraduate pharmacy that was included.)

³USC Beaufort was approved to move from 2- to 4-year status in June 2002.

⁴USC Beaufort is excluded from the average for the Teaching and four-year institutions through 2004-05 and is included from 2005-06 forward.

¹Excludes Medicine and Law

²Excludes Medicine, Dentistry, and Pharmacy. Includes Nursing and Health Professions only. (In 2000 & prior, MUSC had undergraduate pharmacy that was included.)

³USC Beaufort was approved to move from 2- to 4-year status in June 2002.

⁴USC Beaufort is excluded from the average for the Teaching and four-year institutions through 2004-05 and is included from 2005-06 forward.

Financial Appropriations

Revenue derived from state appropriations is combined with tuition & fees; grants, contracts, and gifts; and in part by sales and service to fund the Educational and General (E&G) activities of our public colleges and universities. The tables on the following pages reflect a consistent pattern of decreasing state support for higher education and a shift to more reliance on tuition & fees and other non-state revenue.

The Action Plan for South Carolina Higher Education: *Leveraging Higher Education for a Stronger South Carolina* includes a study conducted by the Division of Research in the Moore School of Business at the University of South Carolina that clearly measures the return on the educational investment (REOI) the state makes in higher education. The conclusion reached by the researchers is as follows:

In South Carolina, investment in higher education produces palpable economic benefits. It pays for itself and brings in additional revenue for the state over time. The annual benefits the state will gain by reaching the 29 percent attainment goal [specified in the Action Plan] are significant. The clearest way to discern the benefits emerging from this analysis is to again stress the overall return on the South Carolina government's investment. For each dollar that the state spends between 2010 and 2030, \$11.20 is added to the economy (measured by gross state product) over the period. Further, after reaching the 29 percent goal in 2030, each dollar spent by the state boosts South Carolina's economic activity (measured by gross state product) by \$25.20. Beyond the results presented here, higher education correlates with a host of positive characteristics and activities in the state, with potentially large benefits to society not addressed in this report. These include better health care, lower unemployment, and less incarceration.

The following pages give a brief overview of the appropriations provided in support of E&G costs at our public colleges and universities as well as funding provided through the South Carolina Education Lottery for operations and funding provided through a combination of appropriated, lottery, and other funding in support of merit-based scholarships (Palmetto Fellows, LIFE, and HOPE), Lottery Tuition Assistance (LTA) to two-year institutions, and need-based aid.

Source: Office of State Budget, Historical Analysis Report, <http://www.budget.sc.gov/OSB-historical.phtml>, updated 7/29/2011

NOTE: The Education Lottery began operating in January of 2002 and FY 2001-02 receipts were first appropriated in FY 2002-03. As shown above for higher education, lottery appropriations include initial appropriations from lottery, unclaimed prizes (certified and uncertified funds realized) and any surplus funds as noted.

Programs listed above may receive additional state funding from other sources (e.g., LIFE, Palmetto Fellows, Tuition Grants, and SC State also receive State General Fund Appropriations)

¹ The Rescission Bill (H.5300, enacted November 2008) transferred \$10 million from Endowed Chairs to LIFE Scholarships.

² FY 2010-11 appropriation includes \$5,809,819 for merit scholarships from 2010-11 unclaimed prizes in excess of the \$8.4 million certified by BEA for unclaimed prizes and \$3,054,735 in surplus lottery funds to fully fund scholarships.

³ 2006-07 Unclaimed Prizes in excess of the \$8.4 million certified by the BEA was appropriated as follows: \$200,000 to School for Deaf and Blind; \$250,000 to SDE; \$2,600,000 for lottery tuition assistance; and balance (\$4,966,933) to Tuition Grants

⁴ 2007-08 Unclaimed Prizes in excess of the \$8.4 million certified by the BEA was appropriated as follows: \$1,000,000 to State Library; \$500,000 to SDE; \$500,000 to DAODAS; \$250,000 to CHE for Higher Education Enhancement Program; and remaining balance (\$3,478,271) to CHE Need-based grants.

⁵ 2008-09 Unclaimed Prizes in excess of the \$8.4 million certified by the BEA was appropriated as follows: \$6,037,827 to CHE Need-based Grants; \$1,000,000 to CHE Critical Needs Nursing Initiative, and \$4,000,000 to SBTCE Allied Health Initiative.

⁶ Includes \$3,600,000 from lottery proceeds and \$8,400,000 from certified unclaimed prize funds.

⁷ 2009-10 Unclaimed Prizes in excess of the \$8.4 million certified by the BEA was appropriated as follows: \$2,000,000 to SBTCE for the CATT/readySC program, \$4,000,000 to SBTCE Allied Health Initiative; and \$1,027,686 for Technology for public 2- and 4-yr institutions. (Note: Technology funds also include certified unclaimed prize funds of \$2,677,271 and balance from lottery.)

⁸ Technology funds include \$2,677,271 in certified unclaimed prize funds and balance from lottery.

<i>portion from other funds</i>				\$1,500,000 ⁽⁸⁾	

NOTE: The appropriations, unless otherwise noted, above represent only initial program funds as provided per the Appropriations Act. State General Funds and Lottery Funds are included. In addition, Barnwell Revenues that are appropriated for the Education Endowment are included. The Education Endowment for higher education is funded at \$24,000,000 annually through a combination of Barnwell Nuclear Waste Facility revenues and State General Funds. The Education Endowment funds are split equally between the Palmetto Fellows and Need-based Grant programs.

(1) For the Palmetto Fellows and LIFE programs, additional amounts above initial appropriations may be provided since these are "open-ended" programs and qualified students are provided the awards. FYs 2002-03 - 2005-06 (not shown here) included surplus lottery funds for this purpose. The merit programs have been fully funded each year in recognition of anticipated growth. Note for Palmetto Fellows and LIFE the General Assembly passed legislation effective FY 2008-09 that provided additional stipends beginning in the sophomore year to recipients of Palmetto Fellows and LIFE who are majoring in identified math, science, engineering, and health-related majors and increased the amount of the Palmetto Fellows award beginning in the second year for all recipients.

(2) HOPE and Lottery Tuition Assistance for 2-Year Institutions have been funded to date only with lottery revenues with the exception of HOPE in FY2010-11 which also received general funds.

(3) For CHE Need-based Grants program, a statutory provision requires that a portion of the available Need-based Grant funds each year must be allocated to independent institutions based on their share of full-time, in-state undergraduate enrollment in the prior fall. In Fall 2008, the percentage enrollment for the independents was approximately 18%, 16% in fall 2009, and 16.7% in fall 2010. See also note 4.

(4) Tuition Grants is a program managed by the South Carolina Tuition Grants Commission and provides need-based grants to qualified students at SC's Independent Colleges and Universities. The program receives funding from the Need-based Grant program as described in footnote 3.

(5) Includes \$4,966,933 from excess unclaimed prize funds received at year-end due to a proviso to allocate the balance of any such funds to Tuition Grants.

(6) Includes \$3,478,271 from excess unclaimed prize funds received at year-end due to a proviso to allocate the balance of any such funds to CHE Need-based.

(7) Includes \$6,037,327 from excess unclaimed prize funds received at year-end due to a proviso to allocate the balance of any such funds to CHE Need-based.

(8) Other funds include nonrecurring funds appropriated in FY 2009-10 per budget provisos 90.19 and 90.21.

(9) The FY 2010-11 LIFE lottery number includes an allocation of \$5,809,819 for merit scholarships from unclaimed prize funds in excess of the BEA certified \$8.4 million for unclaimed prizes and \$3,054,735 in surplus lottery funds to fully fund scholarships.

Source: Data are from Appropriation Acts and historical information for the Education Lottery available from the Office of State Budget at www.budget.sc.gov for the balance of excess unclaimed prize funds at year-end as of 7/29/2011 report. FY 2008-09 includes the 2008 Rescission Bill (H.5300, Act 414) enacted 11/7/08.

A budget should reflect the values and priorities of our nation and its people.

Mary Landrieu

Facilities

Colleges and universities conduct a wide range of activities in pursuit of their missions as institutions of higher education. The facilities in which these activities take place are a vital, yet often overlooked aspect of the cost of providing postsecondary education. Institutions must have the necessary space to conduct instruction, research, student support, administration, and service activities. Likewise, facilities must be modern, adequate, and safe. Research has shown that campus facilities play an important role in the recruitment and retention of students. In addition, modern physical resources can also provide opportunities for advancement in academic programs, research, and public service.

Institutions are responsible for the effective allocation and utilization of their campus facilities. National and state standards and guidelines have been established to assist in this area. The degree and manner in which each institution fulfills its functions depends in large measure on

its campus master plan, strategic goals, size, and availability of resources. Outside factors also influence the ability of institutions to meet the demands of their facilities. These factors include the availability of capital funding; changes and increases in standards, codes, and approval requirements; and increasing costs of operation and maintenance.

Assignable Area by Function Fall 2010

Comprehensive Permanent Improvement Plan (CPIP)

Year One Summary

FY 2010-11

Institution	Project	Estimated Project Cost	IP	Proposed Source of Funds
Clemson	Barnett Hall HVAC and Window Upgrade	\$1,000,000	1	Housing Improvement Fund
	Major HVAC Capital Renewal Projects	\$4,800,000	2	Capital Project Funds
USC Columbia	Farmers Market Development	\$15,500,000	24	Athletic Revenue Bonds; Athletic Funds
	Spigner House Renovation	\$900,000	15	Auxiliary Funds
	SOM Building 1 Renovations	\$14,996,225	13	Federal Grant Funds
	SOM Building 2 Renovations	\$8,155,187	14	Federal Grant Funds
	Masey College Renovations	\$3,750,000	17	Housing Maintenance Reserve
	South Tower Mechanical Renovation	\$6,150,000	18	Housing Maintenance Reserve
	McClintock Renovation/Fire Protection	\$5,200,000	19	Housing Maintenance Reserve
	Wade Hampton Renovation/Fire Protection	\$11,750,000	20	Housing Maintenance Reserve
	Sims Renovation	\$11,750,000	21	Housing Maintenance Reserve
	Woodrow College Façade Improvements/Window Upgrade	\$2,100,000	22	Housing Maintenance Reserve
	Harper Elliott Renovations	\$3,750,000	23	Housing Maintenance Reserve
	Horizon I Upfit	\$15,000,000	6	Indirect Cost Recovery; Grant Funding
	Discovery I Upfit	\$15,000,000	7	Indirect Cost Recovery; Grant Funding
	Columbia Campus Elevator Upgrades	\$2,100,000	4	Institutional Capital Project Funds
	EWS/CLS Fire Alarm Replacement	\$800,000	10	Institutional Capital Project Funds
	Davis College HVAC Replacement	\$2,000,000	2	Institutional Funds
	South Sumter Street Streetscaping	\$4,000,000	3	Institutional Funds
	Booker T. Washington Renovation	\$2,200,000	8	Institutional Funds; Private
	Columbia Deferred Maintenance	\$2,000,000	9	Institutional Funds
	SOM VA Campus Central Plant Chiller Replacement	\$1,555,931	11	Institutional Funds; Institutional Capital Project Funds; Private
	SOM Building 4 Animal Testing Space Renovation	\$584,375	12	Institutional Funds; Institutional Capital Project Funds; Private
	Student Health Center Construction	\$45,500,000	16	Institutional Funds; Revenue Bonds
	Arena Basketball Locker Room Renovations	\$1,000,000	25	Private
	Health Sciences Renovation	\$18,000,000	1	State Institution Bonds
	Moore School of Business New Facility Construction	\$90,000,000	5	State Institution Bonds; Revenue Bonds; Private
MUSC	Thurmond/Gazes Research Building Air Handler Unit Replace	\$3,100,000	1	Indirect Cost Recovery; University General
	Thurmond/Gazes Research Building Exhaust System Retrofit	\$4,000,000	2	University General Institution Funds
	Thurmond/Gazes Research Building Waterproofing & Mold/Mildew Remediation	\$10,000,000	3	University General; Insurance Claim
	Basic Science Building East Side Air Handler Replacement	\$4,000,000	4	University General Institution Funds
The Citadel	Daniel Library Renovations	\$2,090,000	1	Gifts, E&G Student Fees
Coastal Carolina	Academic Classroom/Office Building	\$11,000,000	1	One Cent Sales Tax
	Public Safety Facility	\$1,000,000	3	One Cent Sales Tax

Educators and architects preserve children's freedom.
Amelia Gambetti

Faculty in Higher Education

Faculty are pivotal resources around which postsecondary education revolves. They determine curriculum content, student performance standards, and quality of students' preparation for careers. Faculty members perform research and development work which can advance this nation's technological and economic well-being. Through their public service activities, they also contribute to the public good.

Faculty may hold academic rank of professor, associate professor, assistant professor, instructor, or lecturer. Faculty may also include the chancellor/president, provost, vice provosts, deans, directors or the equivalent, as well as associate deans, assistant deans and executive officers of academic departments if their principal activity is instruction combined with research and/or public service. The designation as "faculty" is separate from the activities to which they may be currently assigned. For example, a newly appointed president of an institution may also be appointed as a faculty member. Graduate, instruction, and research assistants are not included in this category.

Faculty salaries are reported according to CUPA definitions. Ranked Faculty only (Excludes lecturers/other, and graduate teaching assistants). Includes 11/12 month contracts converted to 9-month basis (.818 conversion factor).

Faculty includes those members of Instruction/Research Staff who are employed full-time and whose major regular assignment is instruction, including those with release time for research.

*Salaries for Clinical & Basic Medicine are reported on a 12-Month Contract basis.

**Due to privacy of individuals, this number is too small to report.

Prior to 2009-2010, institutions did not report *Hawaiian/Pacific Islander* or *Two or More Races* classifications causing those classifications to have a zero value.

Appendix 1

Types of Public Institutions in South Carolina by Mission

Changes to the SC State Code of Laws, 1976, as amended, arising from Act 359 of 1996, set forth the missions of public higher education, as well as for each type of public institution in the state (Sections 59-103-15 (A) and 59-103-15(B)). These statements are excerpted and printed below.

Mission Identified for Higher Education in South Carolina:

The General Assembly determined that the mission for higher education is to be a global leader in providing a coordinated, comprehensive system of excellence in education by providing instruction, research, and life-long learning opportunities which are focused on economic development and benefit the State of South Carolina.

Goals to be achieved through this mission include: high academic quality; affordable and accessible education; instructional excellence; coordination and cooperation with public education; and cooperation among the General Assembly, Commission on Higher Education, Council of Presidents of State Institutions, institutions of higher learning, and the business community; economic growth; and clearly defined missions.

Mission Identified for Types of Sectors of SC Higher Education:

Research institutions

- college-level baccalaureate education, master's, professional, and doctor of philosophy degrees which lead to continued education or employment;
- research through the use of government, corporate, nonprofit-organization grants, or state resources; or both;
- public service to the State and the local community.

Comprehensive Teaching Institutions (Four-year Colleges and Universities)

- college level baccalaureate education and selected master's degrees which lead to employment or continued education, or both, except for doctoral degrees currently being offered;
- limited and specialized research;
- public service to the State and the local community.

Two Year Institutions – Branches of U.S.C.

- college level pre-baccalaureate education necessary to confer associate's degrees which lead to continued education at a four-year or research institution;
- public service to the State and the local community.

State Technical and Comprehensive Education System

- all post-secondary vocational, technical, and occupational diploma and associate degree programs leading directly to employment or maintenance of employment and associate degree programs which enable students to gain access to other post-secondary education;
- up-to-date and appropriate occupational and technical training for adults;
- special school programs that provide training for prospective employees and existing industry in order to enhance the economic development of South Carolina;
- public service to the State and the local community;
- continue to remain technical, vocational, or occupational colleges with a mission as stated for State Technical and Comprehensive Education System and primarily focused on technical education and the economic development of the State.

Appendix 5

Glossary

Academic Support – Funds to provide support services for an institution's primary missions – instruction, research, and public service.

Accessible Area – An indication that a room can be approached, entered, and used without assistance by a mobility-impaired person. The United States Department of Education Section 504 Subpart C regulation states “no qualified individual with a disability shall be excluded from participation in, be denied the benefits of, or otherwise be subjected to discrimination under any program or activity because a recipient’s facilities are inaccessible to, or unusable by, persons with disabilities.”

American Indian or Alaskan Native - A person having origins in any of the original peoples of North and South America (including Central America) who maintains cultural identification through tribal affiliation or community attachment.

Application Fee – The amount of money that an institution charges for processing a student’s application for admittance to the institution. This amount is not creditable toward tuition or required fees, nor is it refundable if the student is not admitted to the institution.

Asian or Pacific Islander – A person having origins in any of the original peoples of the Far East, Southeast Asia, the Indian Subcontinent, or Pacific Islands. This definition includes people from China, Japan, Korea, the Philippine Islands, American Samoa, India, and Vietnam.

Asian - A person having origins in any of the original peoples of the Far East, Southeast Asia, or the Indian Subcontinent, including, for example, Cambodia, China, India, Japan, Korea, Malaysia, Pakistan, the Philippine Islands, Thailand, and Vietnam.

Assignable Area – The sum of all areas on all floors of a building assigned to, or available for assignment to, an occupant or use, excluding spaces defined as building service, circulation, mechanical, and structural areas.

Associate’s Degree – An award that normally requires at least two, but less than four, years of full-time equivalent college work.

Auxiliary Enterprises – Activities that exist to furnish goods or services to students, faculty, or staff, and that charge a fee directly related to, although not necessarily equal to, the cost of the goods or services are included in auxiliary enterprises. These entities are classified as self-supporting.

Bachelor’s Degree – An award (baccalaureate or equivalent degree, as determined by the Secretary, U.S. Department of Education) that normally requires at least four, but NOT more than five, years of full-time equivalent college-level work. This definition includes bachelor’s degrees conferred in a five-year cooperative (work-study plan) program.

Black/African American - A person having origins in any of the black racial groups of Africa.

Board Charges – Charges assessed students for an academic year for meals.

Books and Supplies – The average cost of books and supplies for a typical student for an entire academic year (or program). Does not include unusual costs for special groups of students (e.g., engineering or art majors), unless they constitute the majority of students at an institution.

Certificate – A formal award certifying the satisfactory completion of a postsecondary education program.

Appendix 5

Glossary (continued)

Classification of Instructional Programs (CIP) – A numerical classification and standard terminology for secondary and postsecondary instructional programs provided by National Center of Education Statistics (NCES).

Cohort – A specific group of students established for tracking purposes.

Credit Course – A course that, if successfully completed, can be applied toward the number of courses required for achieving a degree, diploma, certificate, or other formal award.

Credit Hour – A unit of measure that represents the equivalent of an hour (50 minutes) of instruction that can be applied to the total number of hours needed for completing the requirements of a degree, diploma, certificate or other formal award.

Debt Service – The amount set aside annually in a fund to pay the interest and the part of the principal due on the Institution's bond and note debt.

Dedicated Fees – Fees committed for a specific use of the funds collected. These funds may be carried forward year to year.

Degree – An award conferred by a college, university, or other postsecondary education institution as official recognition for the successful completion of a program of study.

Degree/Certificate-Seeking Students – Students enrolled in courses for credit who are recognized by the institution as seeking a degree or other formal award. At the undergraduate level, this classification is intended to include students enrolled in vocational or occupational programs.

Diploma – A formal document certifying the successful completion of a prescribed program of study.

Doctor's Degree – The highest award a student can earn for graduate study. The doctor's degree classification includes such degrees as Doctor of Education, Doctor of Juridical Science, Doctor of Public Health, and the Doctor of Philosophy degree in any field such as agronomy, food technology, education, engineering, public administration, ophthalmology, or radiology.

Doctor's degree - other – A doctor's degree that does not meet the definition of a doctor's degree - research/scholarship or a doctor's degree - professional practice.

Doctor's degree - professional practice – A doctor's degree that is conferred upon completion of a program providing the knowledge and skills for the recognition, credential, or license required for professional practice. The degree is awarded after a period of study such that the total time to the degree, including both pre-professional and professional preparation, equals at least six full-time equivalent academic years. Some of these degrees were formerly classified as "*first-professional*" and may include: Chiropractic (D.C. or D.C.M.); Dentistry (D.D.S. or D.M.D.); Law (L.L.B. or J.D.); Medicine (M.D.); Optometry (O.D.); Osteopathic Medicine (D.O); Pharmacy (Pharm.D.); Podiatry (D.P.M., Pod.D., D.P.); or, Veterinary Medicine (D.V.M.), and others, as designated by the awarding institution.

Doctor's degree - research/scholarship – A Ph.D. or other doctor's degree that requires advanced work beyond the master's level, including the preparation and defense of a dissertation based on original research, or the planning and execution of an original project demonstrating substantial artistic or scholarly achievement. Some examples of this type of degree may include Ed.D., D.M.A., D.B.A., D.Sc., D.A., or D.M., and others, as designated by the awarding institution.

Appendix 5

Glossary (continued)

Dormitory Capacity – The maximum number of students for which the institution can provide dormitory housing facilities, whether on or off campus.

Educational and General (E&G) – The educational and general operations of an institution, including instruction, research, public service, academic support, student services, institutional support, operation and maintenance of physical plant, etc.

First-Professional Degree – An award that requires completion of a program that meets all of the following criteria: (1) completion of the academic requirements to begin practice in the profession; (2) at least two years of college work prior to entering the program; and (3) a total of at least six academic years of college work to complete the degree program, including prior required college work plus the length of the professional program itself. First-professional degrees may be awarded in the following ten fields: Chiropractic, Dentistry, Law, Medicine, Optometry, Osteopathic Medicine, Pharmacy, Podiatry, Theology, and Veterinary Medicine.

NOTE: The National Center for Education Statistics (NCES) has eliminated this degree category and required all institutions to reclassify the above first-professional degrees into the Doctor's degree classification. See Doctor's degree for additional information.

First-Time Freshman – An entering freshman who has never attended a college (or other postsecondary institution). Includes students enrolled in the fall term who attended college for the first time in the prior summer term. Also includes students who entered with advanced standing (college credits earned before graduation from high school).

Full-Time Equivalent (FTE) Student Enrollment – Calculated as fifteen (15) credit hours per semester for an undergraduate student, twelve (12) credit hours per semester for a graduate level 1 (master's) student, and nine (9) credit hours per semester for graduate level 2 (doctoral) students. First professional pharmacy hours are fifteen (15) credit hours per semester and first professional law are fourteen (14) credit hours per semester. Medicine and Dentistry use the headcount rather than credit hours.

Full-time student - Undergraduate: A student enrolled for 12 or more semester credits, or 12 or more quarter credits, or 24 or more contact hours a week each term. Graduate: A student enrolled for 9 or more semester credits, or 9 or more quarter credits, or a student involved in thesis or dissertation preparation that is considered full time by the institution. Doctor's degree - Professional practice - as defined by the institution.

Geo-Origin – The first reported Geographic origin of the student enrolling in a South Carolina institution.

Graduate Student – A student taking courses offered for credit toward a master's or doctoral degree.

Graduation Rate – The rate required for disclosure and/or reporting purposes under Student Right-to-Know. This rate is calculated as the total number of completers within 150% of normal time divided by the revised cohort minus any allowable exclusions.

Hispanic – A person of Mexican, Puerto Rican, Cuban, Central or South American, or other Spanish culture or origin, regardless of race.

Hospitals – Activities associated with the patient care operations of a hospital. This category does not include instructional activities which may take place in the hospital but which are more appropriately categorized in the instruction program.

In-District Student – A student who is a legal resident of the locality in which he/she attends school and thus is entitled to reduced tuition charges if offered by the institution.

Appendix 5

Glossary (continued)

In-State Student – A student who is a legal resident of the state in which he/she attends school. (S.C. uses geo-origin. See definition for geo-origin.)

Independent Operations – Institutional activities that are owned by or controlled by the institution but that are independent of or unrelated to the institution's mission.

Institutional Support – Activities carried out to provide for both the day-to-day functioning and the long-range viability of the institution as an operating organization. The ultimate goal of the institutional support program is to provide for the institution's organizational effectiveness and continuity.

Instruction – Activities carried out for the express purpose of eliciting a measure of educational change in a learner or group of learners.

Lower Division – Courses at the freshman and sophomore levels of college work, available at the two-year institutions as well as the four-year institutions.

Master's Degree – An award that requires the successful completion of a program of study of at least the full-time equivalent of one, but not more than two, academic years of work beyond the bachelor's degree.

Native Hawaiian or Pacific Islander - A person having origins in any of the original peoples of Hawaii, Guam, Samoa, or other Pacific Islands.

Nonresident Alien – A person who is not a citizen or national of the United States and who is in this country on a visa or temporary basis and does not have the right to remain indefinitely.

Out-of-State Student – A student who is not a legal resident of the state in which he/she attends school. (S.C. uses geo-origin. See definition for geo-origin.)

Physical Plant Operations – Activities related to maintaining existing facilities and grounds, providing utility services, and planning and designing future plant expansions and modifications.

Public Service – Activities established to make available to the public the various resources and capabilities of the institution for the specific purpose of responding to a community need or solving a community problem.

Race/ethnicity Unknown – This category is used ONLY if the student did not select a racial/ethnic designation, and the postsecondary institution finds it impossible to place the student in one of the aforementioned racial/ethnic categories during established enrollment procedures or in any post-enrollment identification or verification process.

Required Fees – Fixed sum charged to students for items not covered by tuition and required of such a large proportion of all students that the student who does NOT pay is an exception.

Research – Any activity intended to produce one or more research outcomes – including the creation of knowledge, the organization of knowledge, and the application of knowledge. A research activity may be conducted with institutional funds or under the terms of an agreement with an agency external to the institution.

Room Charges – The charges for an academic year for rooming accommodations for a typical student sharing a room with one other student.

Appendix 5

Glossary (continued)

Room Hours of Instruction – The number of hours each week that a classroom is used for regularly scheduled classes.

Space Factor Calculation – A very useful calculation for facilities planners, in that it combines into a single factor the concepts of weekly room hours, percent student station utilization, and assignable square feet per student station. The lower the space factor, the more effectively the space is being utilized for instructional purposes. The calculation is: average student station size (SF per student station) divided by average week room hours of instruction multiplied by station utilization percentage.

Specialist Degree – An award that requires the completion of an organized program of study that awards the specialist degree (beyond Master's), but does not meet the requirements of academic degree at the doctor's level.

Student Services – Activities that contribute to the emotional and physical well-being of the students, as well as to their intellectual, cultural, and social development outside of the context of the institution's formal instruction program.

Student Station – A desk, table/chair, theatre seating, etc., used by a student in a classroom or class laboratory.

Success Rate – The Graduation Rate Survey (GRS) defines the cohort of students to be included each year as the first-time, full-time, degree-seeking students entering an institution each fall. The GRS rate is calculated on the percentage of a cohort graduating within 150% of normal program time. The Success Rate, in addition to the graduates, includes those students who as of 150% of program time have transferred to another institution or those students who have continued to be enrolled the term following 150% of program time. This is often referred to as the "GRS Rate Plus."

Transfer Student – A student entering the reporting institution for the first time but known to have previously attended a postsecondary institution at the same level (e.g., undergraduate, graduate). The student may transfer with or without credit.

Tuition – The amount of money charged to students for instructional services. Tuition may be charged per term, per course, or per credit.

Two or More Races – A student selects more than one race category.

Undergraduate Student – A student enrolled in a four- or five-year bachelor's degree program, an associate's degree program, or a vocational or technical program below the baccalaureate.

Upper Division – The courses students are generally expected to complete during the junior and senior years of a typical baccalaureate degree program and often require completion of prerequisite courses.

White – A person having origins in any of the original peoples of Europe, North Africa, or the Middle East.
